Administrator's Decision on the Invoice Extension Request:

Current deadline extension rules and procedures do not allow approval for the reason submitted

Date: 6/29/2016

Tse ii'Ahi Community School is requesting that the FCC reverse it's denial of the invoice extension request for FRN 2207344. This FRN is under appeal with the FCC for an implementation deadline extension and as a result, invoicing has been halted. The FCC appeal was filed on June 11, 2015 and as of June 28, 2016, it was still pending. Over a year has gone by since the implementation appeal was submitted to the FCC. Due to the financial situation of the school, we cannot continue with service until the fate of the funds has been determined. Once the FCC has issued a decision on FRN 2207344, we fully intend to complete the invoicing process. We kindly request that the Last Day to Invoice be extended to 12/31/2016, while we await the FCC decision for the other matter.

Thank you,
